SEAL SHIELD™ Waterproof Laser Mouse

100% Waterproof • Spillproof • Dishwasher Safe • Guaranteed

Dishwasher Safe

The original Dishwasher Safe Mouse. Seal Shield waterproof technology (Patent Pending). Fully submersible and manufactured to rigorous IP-68 waterproof standards.

Seal Glide™ Scroll System

Effortless scrolling is now possible with the new Seal Glide™ Scroll System. Either push the bar at either end for precise scrolling, or simply move your finger over the surface for faster scrolling. It's that easy!

Rugged and Durable

Manufactured from non-corrosive components including high-grade ABS plastic and stainless steel screws. Certified manufactured with no hazardous substances (RoHS compliant). Medical Grade.

Easy to Use. Easy to Clean.

Plug n' Play USB connection for easy installation. Simply insert the transmitter, press the connect button and you are ready! The mouse can be put directly into the dishwasher at any time with no additional setup required.

Guaranteed Quality

100% Waterproof Guaranteed. Rugged and built to last. 1-Year Limited Warranty. Good Housekeeping Guaranteed.

High Performance Ergonomic Technology

Smooth shape conforms to your hand. Laser optics for precise operation. 2.4 GHz transmission for strong communications link with your computer.

100% Waterproof — Guaranteed

The Seal Shield™ electronic waterproofing process (Patent Pending) makes the mouse spill proof, fully submersible and dishwasher safe. The Seal Shield Laser Mouse is rugged and safe and is backed by a 1-Year Limited Warranty.

Family Friendly

We love our kids, but kids can be hard on a mouse. The Seal Shield™ Laser Mouse is safe and can stand up to whatever little ones can dish out. When you have a family, spills, runny noses and coughs are a way of life. Kids don't always wash their hands, so you need a mouse that can be washed frequently.

100% Spillproof

Accidents happen. Small spills, big spills, even complete submersion- Seal Shield™ can handle it. Whenever accidents happen, or just to keep the mouse clean, rinse it off under the faucet, soak it in the sink, or put it in the dishwasher. Your mouse comes out clean and ready to use.

Dishwasher Safe

The Seal Shield® Mouse is easy to clean. Just put it in the dishwasher to thoroughly clean and disinfect the unit. Our exclusive waterproofing process makes it fast and easy to go straight from the desktop to the dishwasher for cleaning.

Silver Seal™ Antimicrobial Protection

Silver ions embedded in the plastic provide antimicrobial protection and resist microbial growth and spread of odor-causing bacteria. Safe and effective.

Good Housekeeping Seal of Approval

The Seal Shield™ Laser Mouse with Silver Seal™ protection has earned the seal after evaluation or review by the Good Housekeeping Research Institute.

Working Voltage	+5VDC±10%
Resolution	1000 dpi
